

Ready, Set, Invest!

Part 1: Download The Free Rapunzl App

Search for Rapunzl in the App Store or Google Play Store and download the free app so you can participate in this activity.

Part 2: Create A Rapunzl Account

If you haven't already, please create a free Rapunzl account. Be sure to use your school email address! Write the usernames of the members of your group when you finish.

Part 3: Make Sure You're Registered As A Student

Tap the Menu Icon and visit the Settings Screen. Look at your school and confirm that it says your school. If it says "Not A Student", please ask for help from your instructor.

Part 4: Check That You Are Entered Into The AG Challenge

Go to the Rapunzl Home Screen and check the Competitions Section. There should be a scholarship competition. If you cannot see the competition, please ask for help from your instructor.

Part 5: Build Your Portfolio

Now that you are entered into the competition, we need to place trades and build our portfolio. Each member of your group should purchase stock in 10 companies from at least 5 different industries. Record your trades below. Remember, you don't have to invest in the same companies.

Part 6: Follow Your Classmates

Last but not least, let's follow the portfolios of some of your classmates! Search for at least 3 of your classmates and add them as friends. If you're having any issues, please let an instructor know so that we can assist you.
